

Form for the referral of a victim of domestic abuse into the Cornwall MARAC (Multi-agency risk assessment conference) process

Important Information: Please read before completing this form:

This form, when completed will contain personal information (data) including special category (sensitive) data. You are required to comply with **General Data Protection Regulations** in the processing (including storage & retention) of this data. Please refer to your internal Data Protection Policy; local MARAC Operating & Information Sharing Protocols: The GDPR and The Data Protection Act 2018. Article 5 of the GDPR sets out seven key principles which lie at the heart of the general data protection regime. These principles should lie at the heart of your approach to processing personal data.

It is the responsibility of the referring agency to comply with GDPR and the seven key principles. Compliance with the spirit of these key principles is a fundamental building block for good data protection practice. It is also key to your compliance with the detailed provisions of the GPDR. Failure to comply with the principles may leave you open to substantial fines.

The **purpose** of a MARAC referral form is to provide only the **relevant** information required to enable the MARAC administrative team to process the personal data and information **necessary** to populate an accurate agenda to be sent to the relevant agencies listed within the Marac Operating Protocol (MOP), and to maintain accurate records as agreed within the MOP. A separate referral with additional information will need to be completed for referral to Idva.

This form will need to be adapted if the MARAC administrative team are required by employers/local protocols to do more than is recommended for their role by SafeLives. **Any adaptations and additional processing must be GDPR and DPA 2018 compliant.**

Referral forms once completed to be sent to:
