Hate Crime Information for Schools

What is hate crime?

Hate crime is when someone is given a hard time, teased, bullied or attacked because of who they are

Hate crime is a crime against someone or a group of people because:

They have a disability

Of their race

Of their religious beliefs, or because they do not have religious beliefs

They are lesbian, gay or bisexual

They are transgender

Here are some examples of what is a hate crime

Being hit, pushed or hurt

Having nasty things written or drawn about you, your family or friends

Having something you own damaged or broken

Threats to you, your family and friends

Stealing money or important things from you

A hate crime can make you feel

Afraid to go outside

Angry

Alone, unhappy or upset

That you are a bad person

Hate crime is always wrong
