Crimestoppers is an independent charity.

Who we are

Crimestoppers is an independent charity that gives people the power to speak up and stop crime – 100% anonymously.

What we do

We are available for anyone who wants to report crime 100% anonymously. We believe that everyone has the right to feel safe from crime. Whoever you are, wherever you live, from communities to companies. We pass on your information to the relevant authorities in good faith.

How we do it

People trust us to pass on their information about crime anonymously 365 days a year, via our 24/7 UK Contact Centre on 0800 555 111 or our non-traceable online form at Crimestoppers-uk.org. Everyone who contacts us stays 100% anonymous. Our youth service, Fearless, works to empower young people to make informed decisions about reporting crime.

Our promise of anonymity

We don't ask for any personal details, your call is never recorded and your IP address is scrambled. This means we can't identify you and no one will know you contacted us.

Our promise of anonymity also means no police contact, no witness statements and no courts.

You can speak up and stay 100% anonymous. Always.
